# FOREW

■ We believe the purpose of a year-book to be a portrayal of college life in all its naturalness. To that end we have made an effort to produce in picture and in word life at Millsaps during the past year in all its reality. In doing this we have not attempted anything new or sensational, but have contented ourselves with the one idea of giving a faithful picture of representative student life on the campus.

MOORE

VAN HOOK

■ At the beginning of this year two young professors returned to the campus after a year's study on higher degrees to find their places on the faculty as well as in the hearts of the students awaiting them. Because of their interest in the work and play of Millsaps students we are grateful, and as means of reciprocation we dedicate this volume to Professors

Ross Moore and B. O. Van Hook.

CATION

In the next few pages we

have attempted a presentation

of an informal view

of Millsaps College.

M I L L S A P S

THE DRIVE - - -

•

The Carnegie Millsaps library which is recognized as one of the finest in the state.

•

•

One of the beauty spots of the campus is the tomb of Major R. W. Millsaps.

•

Dr. D. M. Key, President of Millsaps College.

Scholar, gentleman, and educator, Dr. Key is a real college president.

Our future M.D.'s hard at work delving into the depths of biological knowledge.

From the green on the number 2 hole we see the athletic field with the Science Hall and Administration Building in the background.

Stewart, Phillips and Parmer take life easy during chapel period.

Freshman Gainey peacefully dreams of the girl he left behind.

Miller, Millsaps Major No. 1, grins as the cameraman catches him earning his daily cigar.

MR. R. L. EZELLE

The 1937 issue of the Bobashela would be incomplete if it did not contain a picture of Mr. R. L. Ezelle, one of our most loyal supporters. His keen interest in both the faculty and the students has won him the title of "our best friend," and it was largely through his efforts that we now have the new gym.

•

The Buie memorial gymnasium was completed last summer and has immediately become an invaluable addition to the campus.

•

THE ADMINISTRATION BUILDING AS SEEN FROM THE SOUTH APPROACH

Professor J. Reese Lin, professor of history and philosophy, whose unerring logic has enriched the minds of many Millsaps students. Wise and fair "Ducky" is the most quoted man on the Millsaps campus.

The "STU-DEN" under the management of Fred Ward has been one of the most popular spots on the campus this year. With always a crowd on hand the new grill and book store is always an enjoyable place to come.

Professor Sanders - - caught in the act of explaining an evasive French idiom.

The charm of the library entrance is added to by Ruth as she patiently waits until opening time. Perhaps this is why she is sometimes late for class.

Below is pictured a part of the crowd that assembles on the steps of the science building before classes begin. Numerous stories and jokes have been told before the bell brings the young scientists into the habitat of Dr. Sullivan and Professor Harrell.

Here we have freshmen Williams and Salassi swapping tallies, evidently preparing themselves for things to come.

*LIBRARY ENTRANCE*

MILDRED RUOFF  
*Miss Millsaps*

“Lord Byron” Kellum is at it again and Vera Burkhead seems to resent the cameraman’s presence.

Miss Mildred Ruoff was chosen from a number of outstanding senior girls as Miss Millsaps. This title denotes that she has proved outstanding during her stay here. Her beauty and efficiency have qualified “Mille” to be a worthy holder of this coveted honor.

The M club room, in the gym, has been a wonderful addition to the campus. Equipped with new furniture, magazines, and games the M club room is destined to grow into one of Mill-saps' most popular spots.

Fred "Pee Wee" Ezelle was selected with hardly any opposition as Master Major. This title goes to the man whose work has proven the standard of collegiate activity. An outstanding leader in athletics and activities Mill-saps could have chosen no better Master Major.

The new gym as seen from across the golf course presents a striking picture and adds materially to the appearance of the campus.

## . . Here and

Whitworth's gift to Millsaps, President of the Woman's Association, Stella Galloway. Drum Major Sonny McRae demonstrates the fine art of strutting for the cameraman. Pan-Hellenic head Muh and I R C President Mayo seem to have something in common to laugh about.

Millsaps efficiency expert Bill Wofford on his way to class.

Simon Simone caught at play? No, our petite, pretty, secy-treas., Hazel Hollingsworth.

The P & W brain trust, Powers and Roby. Roby, "I wonder who's cussing us now?"

# There . .

P & W business manager Jimmie Dunn. "Lightening" and "Low Gear" to his friends. College Publicity man Lauderdale is caught with assistant Bobashela editor Jeff Hester. Francis Bradshaw is found by the scouting cameraman wearing his best Jim Farley smile.

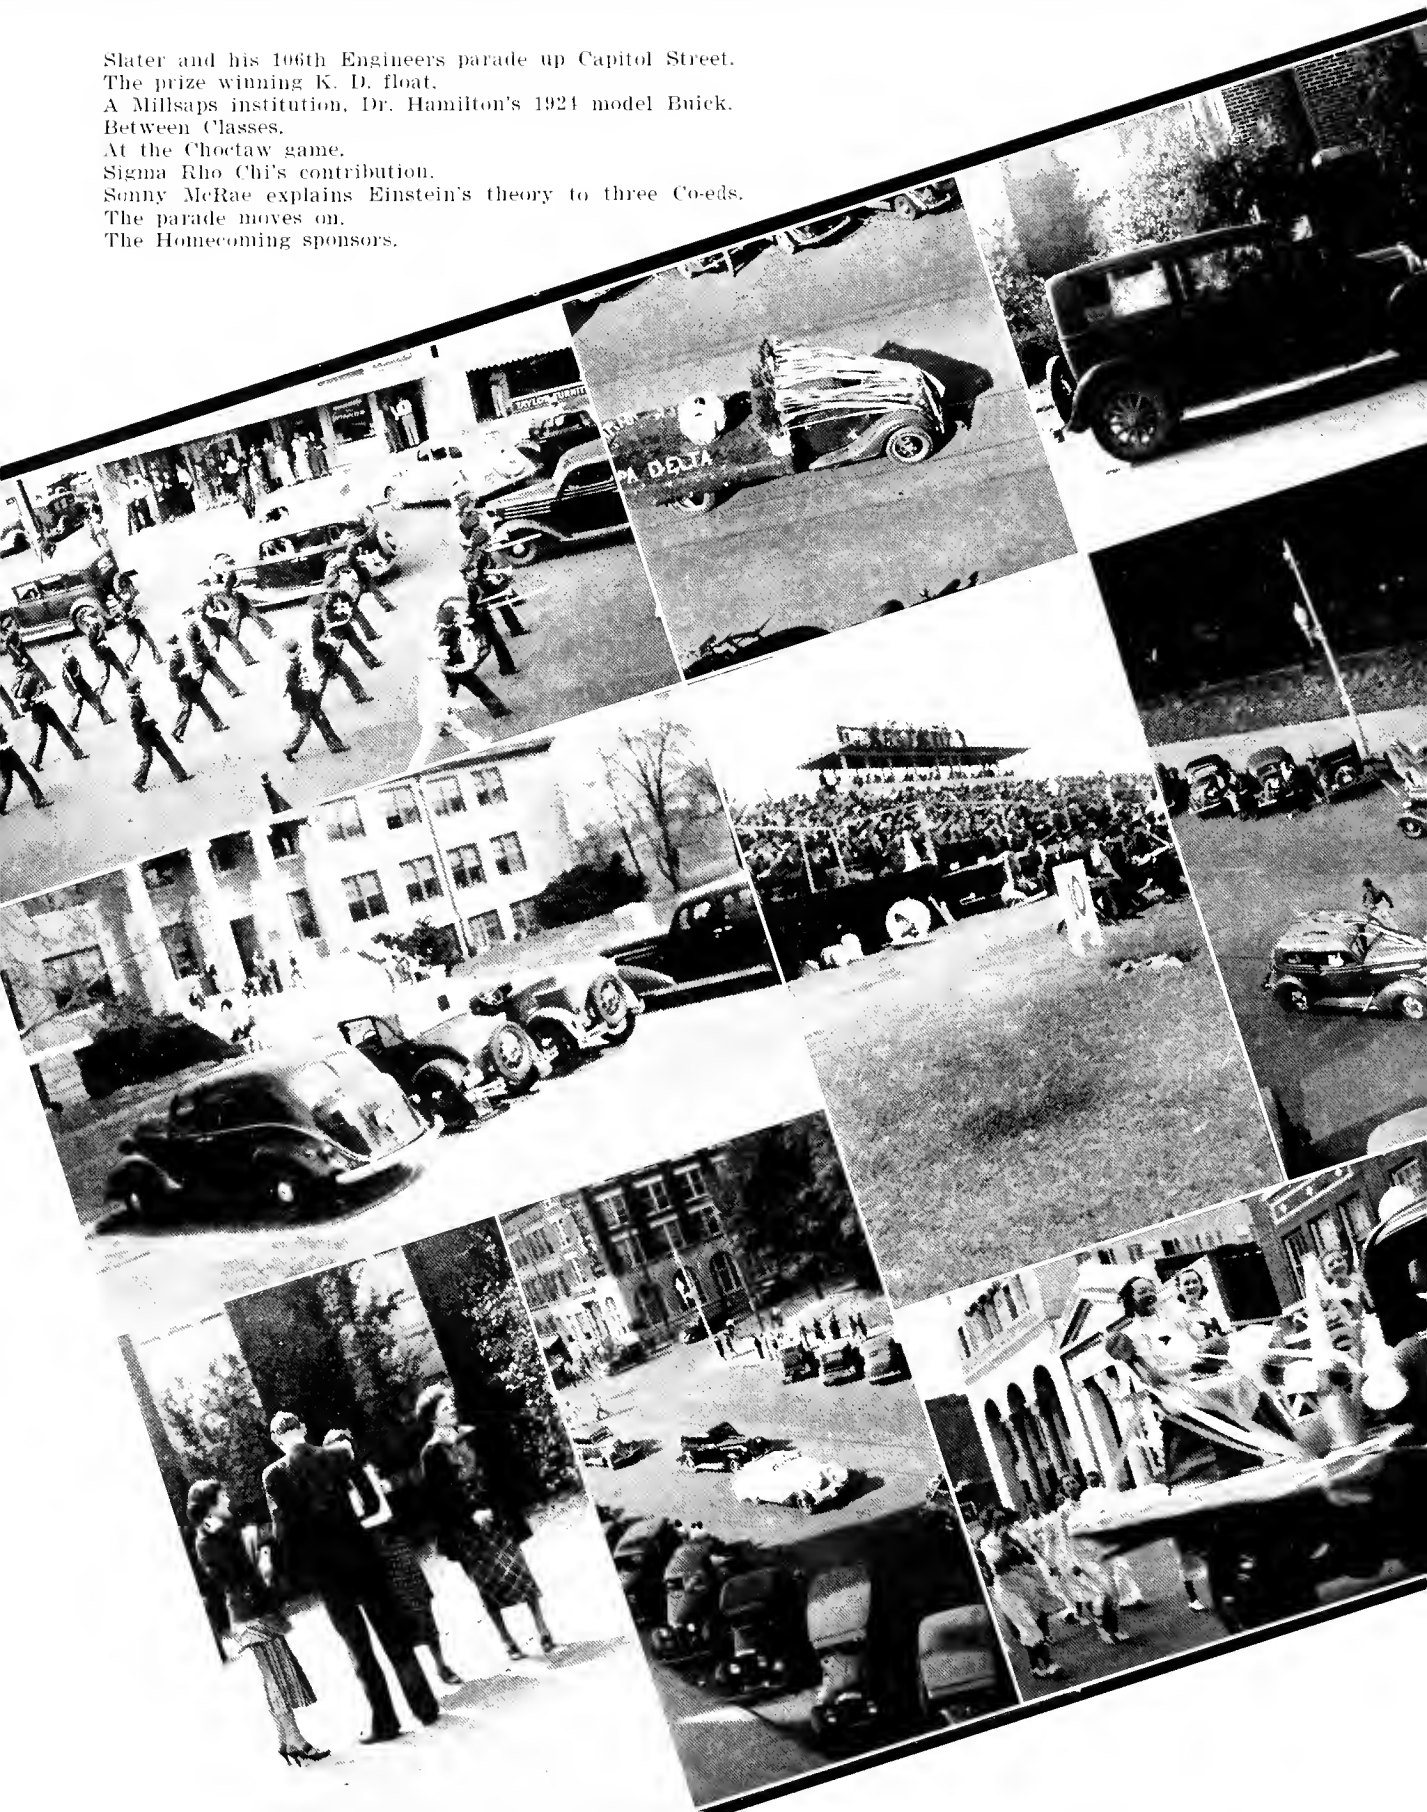

Two Big-wigs, Pres. of Student Body Parker with Pres. O. D. K. Mendel Davis. Y. W. C. A. head Lilla Mills is in a smiling mood.

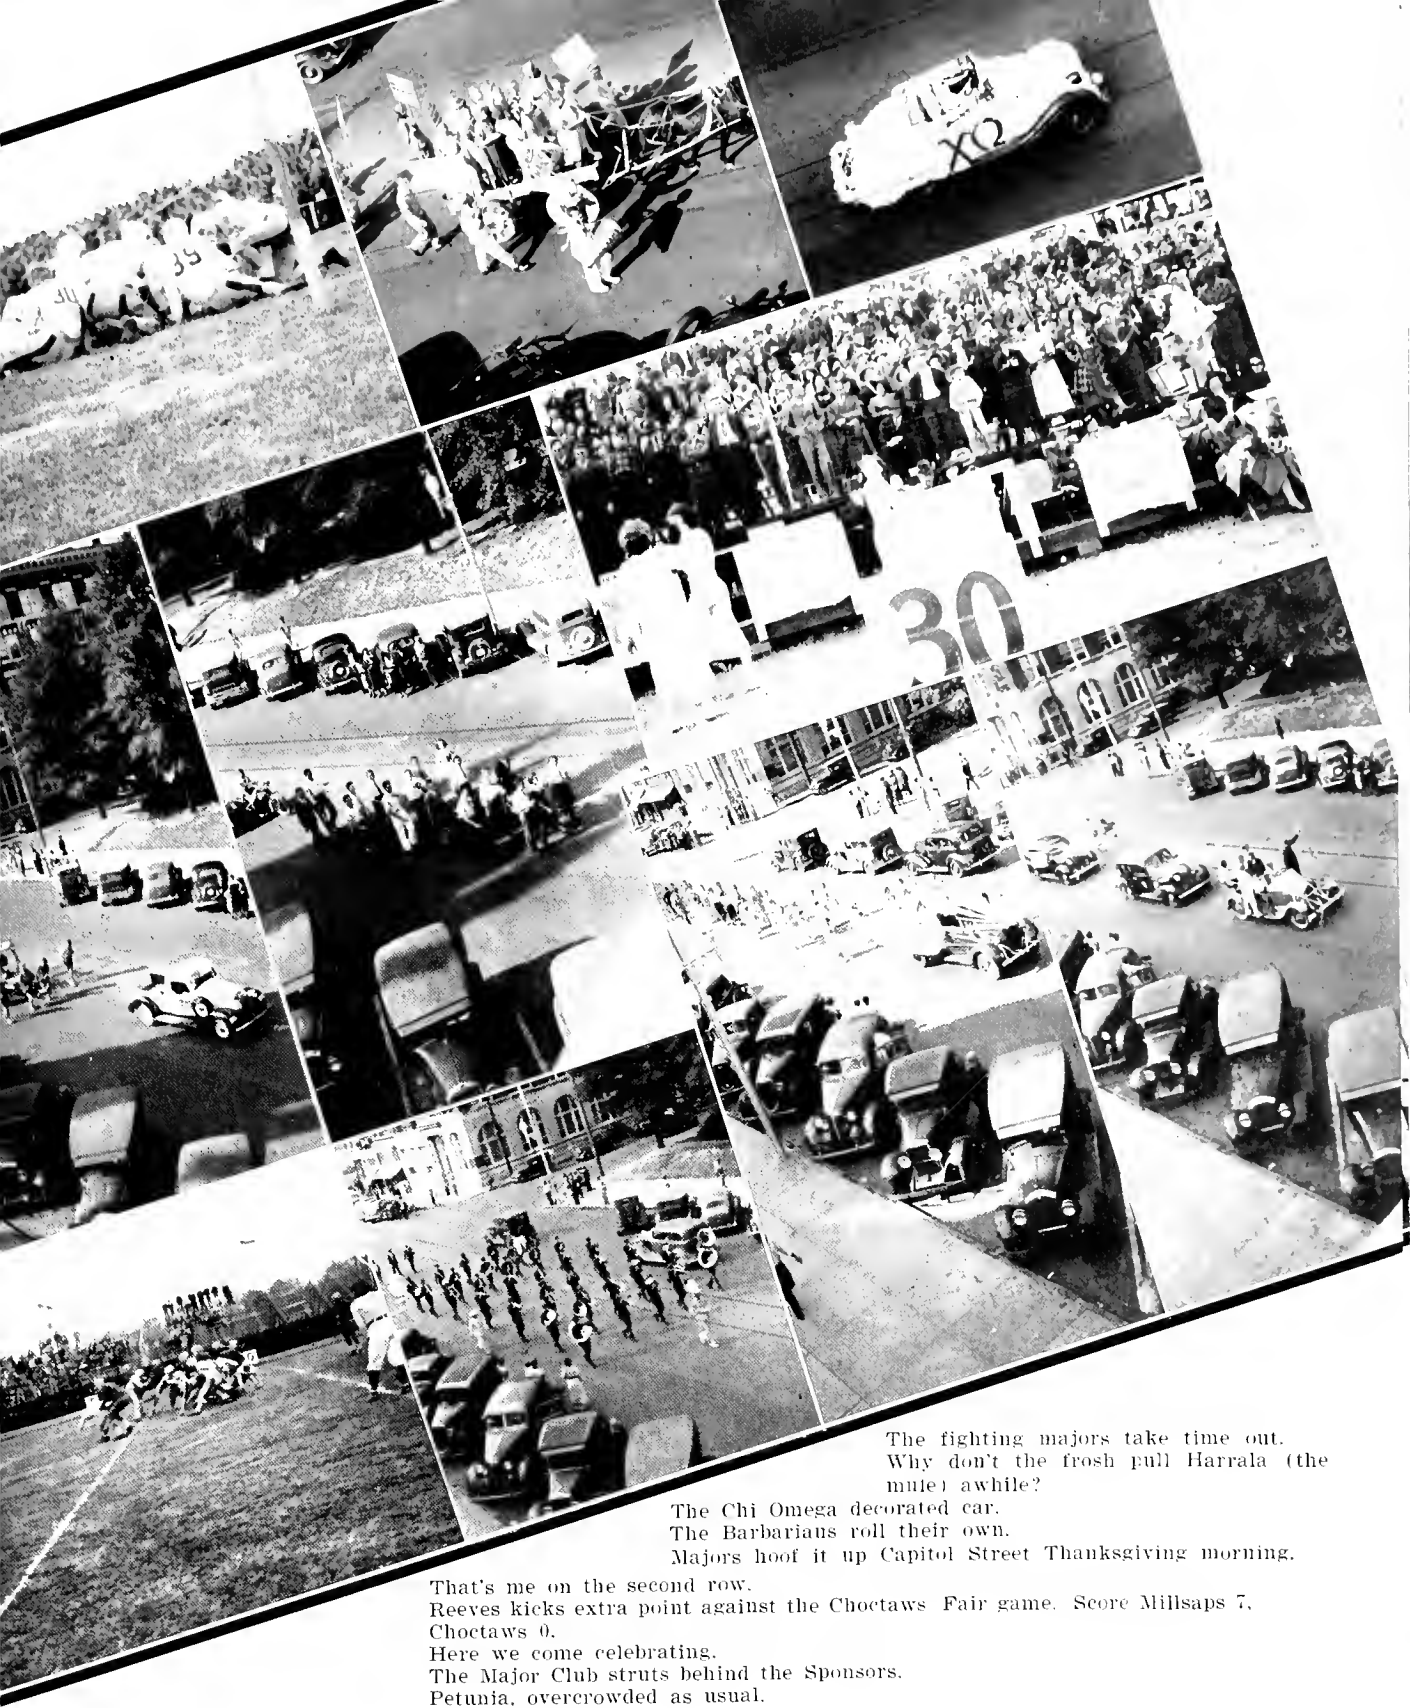

Orator Ford and Bobashela Editor Nobles seem very serious. Something must be amiss in deep Smith.

Slater and his 106th Engineers parade up Capitol Street.  
 The prize winning K. D. float.  
 A Millsaps institution, Dr. Hamilton's 1924 model Buick.  
 Between Classes.  
 At the Choctaw game.  
 Sigma Rho Chi's contribution.  
 Sonny McRae explains Einstein's theory to three Co-eds.  
 The parade moves on.  
 The Homecoming sponsors.

The fighting majors take time out.  
Why don't the frosh pull Harrala (the  
mule) awhile?

The Chi Omega decorated car.  
The Barbarians roll their own.  
Majors hoof it up Capitol Street Thanksgiving morning.

That's me on the second row.  
Reeves kicks extra point against the Choctaws. Fair game. Score Millsaps 7,  
Choctaws 0.  
Here we come celebrating.  
The Major Club struts behind the Sponsors.  
Petunia, overcrowded as usual.

Not the English Coronation Parade—the Barbs on Capitol Street.

What, three?

Frosh prepare for parade—Whoa Harrala!

How could the Majors lose that Miss. State Fair game with Misses Gaddy, Ricks, and Martin as sponsors.

Pardon us, misprint.

Football managers "Teddy Bear" Taylor and "Rev." Matheny caught by the cameraman in a light and merry mood.

Bobashela editor talks it over with Richard Halliburton.

A rainy day.

Not camera shy, just "Ducky."

Best athlete Boyd Reeves poses with runner-up Bob Strait.

Ain't they "lervely?"

Straight gets off a long one.

Portals of Pike's pins pictured from porch.

No, young ladies, I haven't graded your papers yet.  
Uncle Dick.

Sailors beware.

Millsap's "plough-boy" Simpson poses with Bobashela Editor Nobles and runner-up Cook (Nobles was third.)

Football team captain-elect "Hattie" Clark caught with team-mate "Duke" Sutherland.

### ALMA MATER

*Alma Mater, dear old Millsaps,  
Loyal sons are we;  
Our fond hearts are thine alone  
And ever more shall be.*

#### Chorus:

*Proud art thou in classic beauty  
Of thy noble past;  
With thy watchword, honor, duty,  
Thy high fame shall last.*

*Every student, man and maiden,  
Swells the glad refrain;  
'Til the breezes, music laden,—  
Waft it back again.*

As you glance at this page you will doubtless wonder why we left it blank but perhaps a few words of explanation will relate in full the reason for this catastrophe.

The man who planned this book left this space for some print to go and as the time for the book to go to press drew near we found that we had no printed matter to go here. We thought of writing an editorial but we remembered with a bit of trepidation what happens when too many editorials are put into an annual so we decided not to write an editorial. We had a pretty poem to go here but we lost the poem and since the poem was original with one of the students we could not get it reproduced. We started to put a joke here but the staff could not agree as to what sort of joke would appeal to the faculty and student body alike. We even started to fill this space with some of the favorite quotations of faculty members but when we got to Dr. Bullock's and Coach Gaddy's we were forced to abandon the idea. But we just had to have something to go here because we just couldn't leave this page blank. Then we thought of having our accomplished bullshooters, Billy Ford and Duke Sutherland come in and shoot some first rate bull but we couldn't find these two artists. Please remember that this was the day before the *Bobashela* was to go to press and we just had to have something. A mad rush was made for the files of old annuals. Maybe we could plagiarize something but alas, we had already copied all we dared from other books. Then we thought of getting Mayo, Davis, DeLamotte, Galloway, or somebody who had the teachers and student body fooled into thinking they could write, do a story for us. Frustrations, they could not be found. We had a sneaking idea that Miss Galloway was out gathering mud for her beloved "Dirtdauber!"

After searching several more hours for copy to go here and with no success at all we decided to defy precedent, the engraver, the printer, the cover maker, the designer, convention, Dr. Key, the N. R. A., the Martin sisters, the Greeks, and the Barbarians, and leave this space just as blank as you see it now.

# THE BARBARIANS

The Barbarians, Millsaps' most recently organized social group, was founded on the campus in 1934. Even though the organization is comparatively young, the Barbarians have assumed a prominent position in the social life of the campus and have contributed much toward a well-rounded social program. Its membership is derived from students who are not affiliated with Greek fraternities or sororities and who are earnestly desirous of promoting a friendly and social spirit among the students on the campus.

The class of Nineteen Thirty-Seven commends the Barbarians for their worthy purpose and expresses a sincere wish for the continued success of that purpose in the future.

FREDRIC MARCH

Box 305  
Hollywood, California  
December 3, 1936

Mr. Russell Nobles  
Editor of Bobahela  
Millsaps College  
Jackson, Mississippi

Dear Mr. Nobles:

I received the fifteen pictures you sent me to be judged in your beauty contest. I have marked the ones I consider best, numbering them from one to five in order of their selection.

You must realize that this choice of the five best is but one man's opinion, another might have an entirely different idea. I assure you it was no easy task to pick out the five best from the pictures submitted to me, but I hope I have made a just and fair choice.

I am sending the autographed picture under separate cover.

Sincerely,

*Fredric March*

Fifteen photos were sent to Fredric March to be judged for the Millsaps beauty section. Of this fifteen he selected five whose pictures appear on the full pages in the order of his selection. The complete fifteen photos, however, are included in our Beauty Section.

# The MILLS

MISS SIMPSON, MR. KING, ELIZABETH WILSON

The Millsaps Singers as an organization have been existing for three years under the direction of Mr. Alvin J. King. Since we have been in existence, we have made annual state tours contacting a large number of towns on each trip.

Another program of importance which we enjoy giving each year is the Christmas Carols. Every year we look forward to a white Christmas in the hopes that it will make our program more nearly in keeping with the true Christmas spirit.

Then the last and final program of the year is one that we regret to sing. It is the graduation program, and we know that the next year we will not have some of our singers back with us. We try to make this program one that will linger in the hearts of the listeners.

We appreciate every opportunity to appear before the student body and we are grateful for the support that they have given us this year.

Thanking you, we are

Yours very sincerely,

THE MILLSAPS SINGERS

In the next few pages we present a brief picture of the athletic program of the year. In spite of the fact that we were not particularly successful in producing winning teams Millsaps has a right to be proud of her intercollegiate program. With the completion of the new gym Millsaps athletics are definitely on the upgrade.

VAN HOOK

# FOOTBALL

Coach Tranny Lee Gaddy, head football and baseball coach is recognized as one of the best in the state. A likeable man with plenty of personality Coach Gaddy is a fine leader of boys. His fine moral influence and interest in the students are factors that make Millsaps athletics an addition to the school.

Millsaps is indeed fortunate to have a man of Coach Van Hook's calibre to serve in the capacity of athletic director. A man who early wins the confidence of every boy with whom he comes in contact, he is their friend as well as their teacher and coach.

This year Coach Melvin Richardson completed his fourth year as freshman coach. An ideal man for the job "Rich" has sent some fine players up to the varsity. Coming to Millsaps as freshman mentor after a brilliant athletic record here he has proven himself a real coach.

*Ezelle*

FRED "PEE WEE" EZELLE  
*Captain*

# at MILLSAPS

This year's captain, aside from being a great football player, was one of the outstanding men of the Millsaps campus. Weighing only 150 pounds Pee Wee Ezelle was as good a quarterback as there was in the state. His exceptional blocking and defensive work more than made up for his lack of weight. For four years Millsaps fans have seen the figure of Pee Wee calling signals for Millsaps teams and next year Coach Gaddy is going to have a real job trying to find someone able to carry on where Fred left off.

## THE SQUAD

#### BOYD REEVES

Boyd Reeves rose this year from substitute halfback to regular fullback and there he played a whale of a game. A left-handed passer, a good kicker, and a real defensive player, Boyd was a real fullback.

#### ROBERT HILL

Robert Hill, although a sophomore earned his letter as a running back. He is counted on as one of the main threats next year.

#### ROBERT STRAIT

Robert Strait was one of the most versatile players on the team. Besides playing a great game at end he was called into the backfield to do the kicking. Strait will certainly be missed next year.

#### LLOYD SUTHERLAND

Lloyd Sutherland, another senior end, who played splendid ball. Duke could really grab those passes. A fine fellow to have on any team, Duke will be missed next year.

#### HACK STEWART

Hack Stewart shown as a defensive guard. Weighing but 155 Hack was never outfought. His speed through the line spilled many potential gains over his way.

#### CHARLES WRIGHT

Charles Wright was another sophomore regular. Big and fast, Charlie will make Millsaps a great guard before he leaves.

#### FRED "PEE WEE" EZELLE

Fred "Pee Wee" Ezelle who possesses as much of what it takes to play football as any man we have ever seen will be a severe loss to the team when they line up without him for the first game next fall.

#### HAMPTON BALLAD

Hampton Ballad was another sophomore letterman. Playing a good end Ballad should develop into an exceptional player before he leaves.

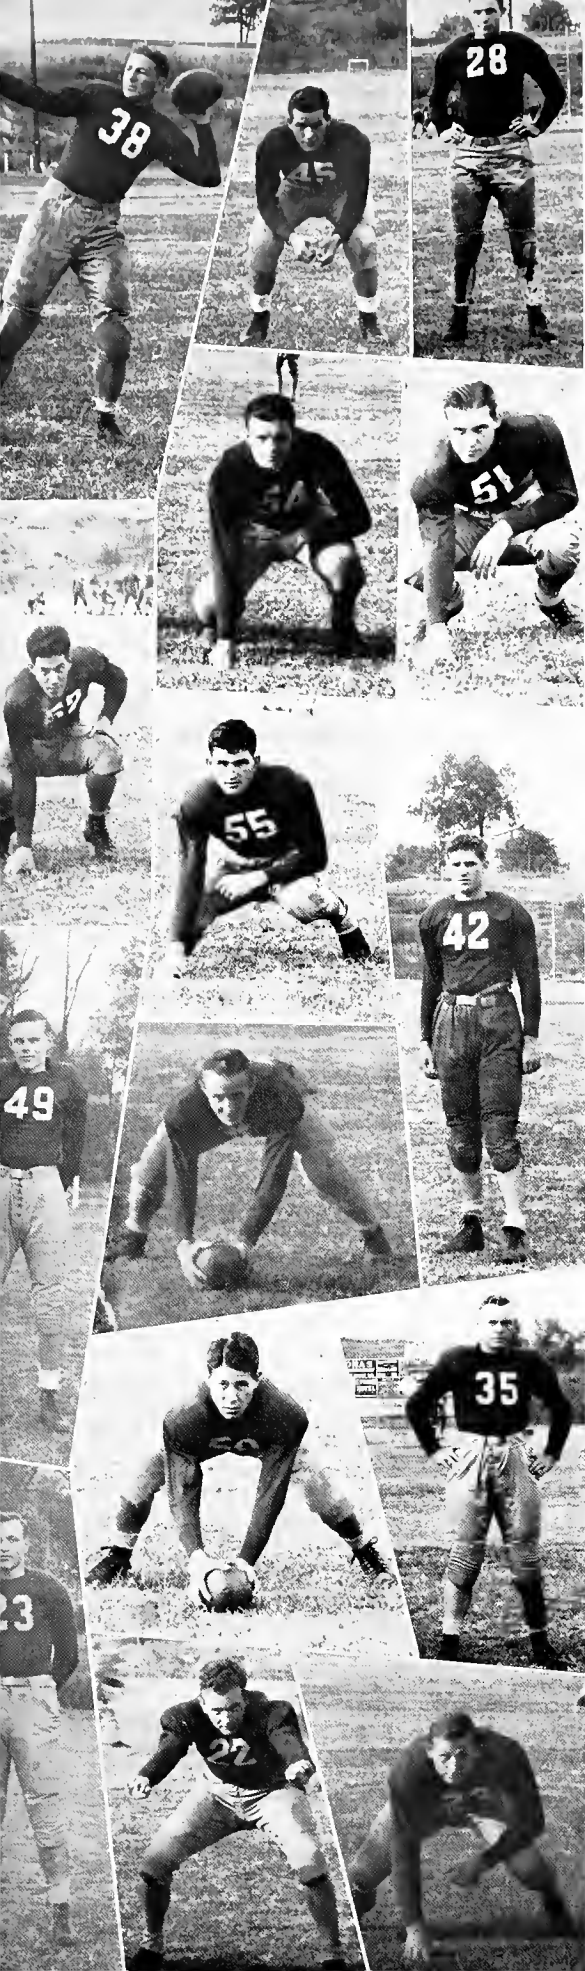

#### JIMMIE KISNER

Jimmie Kisner was one of the hardest workers on the team, filling in at full or half as the occasion demanded. Light for the job "Popa" has lots of grit and two more years.

#### GABE HILL

Gabe Hill, alternate captain, was one of the most dependable players on the squad. He was slowed down by injuries at the first of the season but finished strong. A hard man to get out of a play, Gabe really knew his football.

#### R. J. ELFERT

R. J. Elfert. Held back by injuries the early part of the season, "Big Elfert" came through in great style toward the last and is counted on for a fine game at tackle next year.

©

#### JOE SIMPSON

Joe Simpson will be the regular center next year. Making his letter as understudy to Hill, Joe really showed the fans some neat football and our money is on him to come through in a big way next fall.

©

#### ALTON McALILLY

Alton McAlilly played a fine guard and proved to be a tough man to take out of a play. Heavy and fast Mac will be a powerhouse next year.

©

#### KEES CURRIE

Kees Currie was forced out in the middle of the season by injuries but with a little experience should make a real end.

©

#### ALVIN HOUSTON

Alvin Houston was as rough and ready as they come. "Bullneck" loved the game and gave his best whether playing fullback or guard.

#### G. C. CLARK

G. C. Clark played such good ball that his teammates elected him captain for next year. "Hattie" is one of the first on the field and last to leave. He will make Millsaps a fine captain in '37.

#### ROSS SHELTON

Ross Shelton long will be remembered for his run that beat the Choos. This sophomore halfback is being counted on to really produce next year.

#### ROGER ELFERT

Roger Elfert was another sophomore halfback. A good passer and runner, Roger will be one of the mainstays next year, having been a regular this year.

#### FRED WESTON

Fred Weston was handicapped by lack of weight but this did not keep him from fighting hard and enjoying the game.

#### RODNEY WALKER

Rodney Walker again had another good year at guard. Making the team last year as a sophomore, Rodney improved wonderfully and next year he should have a great year.

#### EUAL COOPER

Eual Cooper will play lots of football for Millsaps next year. Lacking only experience Cooper was an asset to the squad.

#### EDWIN EDWARDS

Edwin Edwards stepped in as a sophomore and made a letter at tackle. Fast and smart Ebbie will show us something next fall.

#### GILBERT COOK

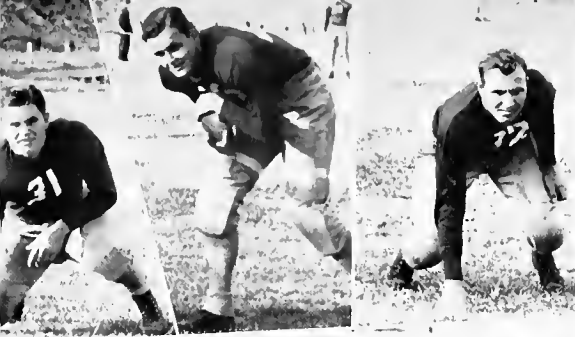

Gilbert Cook gained lots of experience this year and will play lots of ball next year. Tall and rangy, Cook is a good tackle.

#### AUBREY ADAMS

Aubrey Adams played a good end but was overshadowed by the two senior ends. "Jew" will probably play in the backfield next year.

#### HARRY COX

Harry Cox came up from the freshman ranks and made us a good back. His letter his first year indicates his ability. He will be groomed as a triple threat man next year.

#### BRAD BREELAND

Brad Breeland finished four years of Millsaps football after having showed the fans what he was capable of. The big boy was a power on the defense and will certainly be missed next year.

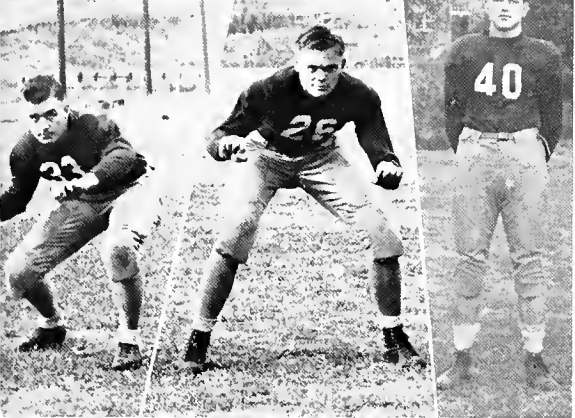

©

#### T. M. HARDY

T. M. Hardy was as shifty a back as we had this year. Shifty and fast, "Sweetpea" will probably do lots of quarterbacking next year.

©

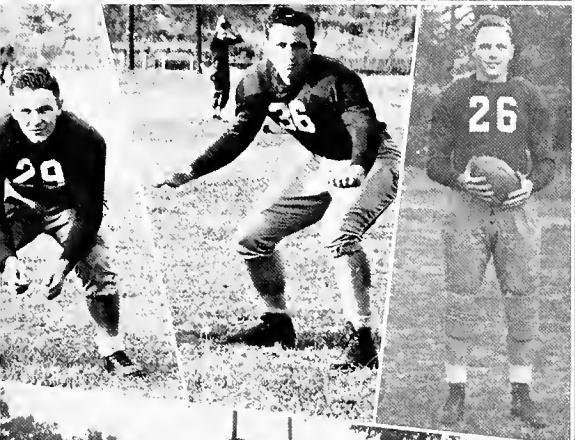

#### MANAGERS

##### "REV." MATHENY

"Rev." Matheny, this year's assistant manager, will be manager next year. His faithful work was appreciated by the team.

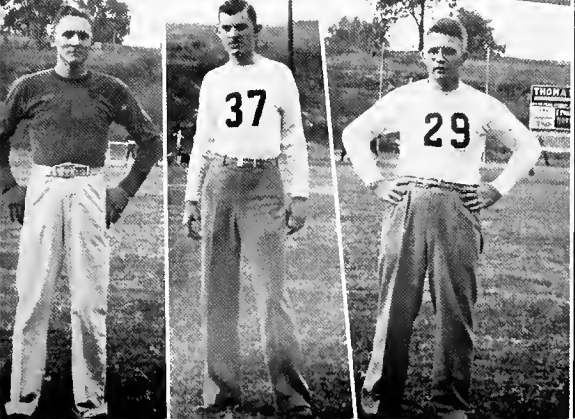

©

#### JACK STUART

Jack Stuart was the man who healed the cuts and bruises. He knew plenty about his job and the medical office added much to our athletic program.

©

#### SWEP TAYLOR

Sweep Taylor was the senior manager and Millsaps never had a more popular guardian of the equipment. Always ready to lend a helping hand, "Teddy Bear" was a real manager.

# B A S K E T B A L L

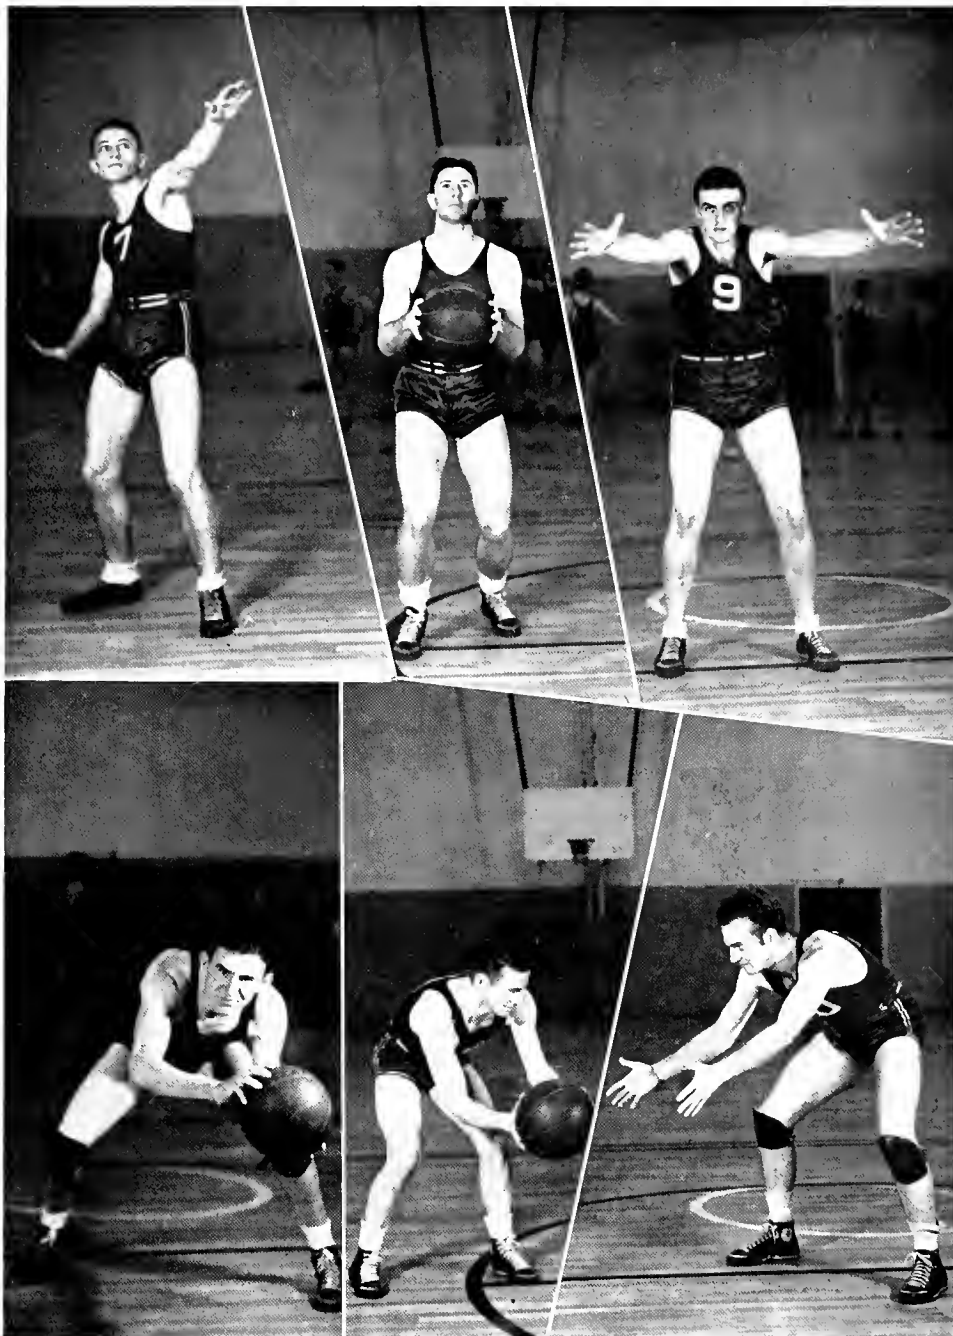

Although not winning a large percentage of the games Millsaps had a good basketball team. The squad was composed almost entirely of sophomores who gave a good account of themselves. A revival of interest in basketball was created because of the completion of the new gym, and all indications point toward a fine season next year.

The work of Hegwood, Kees and John M. Currie, Thompson, Reeves and Price was outstanding and toward the last of the season Ballard, Straight, and Critz came through nicely. With the loss of only Reeves and Straight by graduation and with this year's added experience the team should be one of the best in the S. I. A. A. next year.

## THE SQUAD

Again in baseball Millsaps had another sophomore team. However despite this fact the team gave a good account of itself. The close observers predict that when this team has a little more experience it will be one of the best in the state. Coach Gaddy has three sophomore pitchers in Hill, Felts, and Litton. All three of these boys have lots on the ball and are certain to develop. The infield composed of Ballard, Elfert, Critz, Horton, Cox, are all sophomores while Red Ellis is a junior. In the outfield Price, Parnell, and Cooper will all be back. However, the team will lose its catcher, Gabe Hill and outfielder Boyd Reeves.

## Cheer Leaders

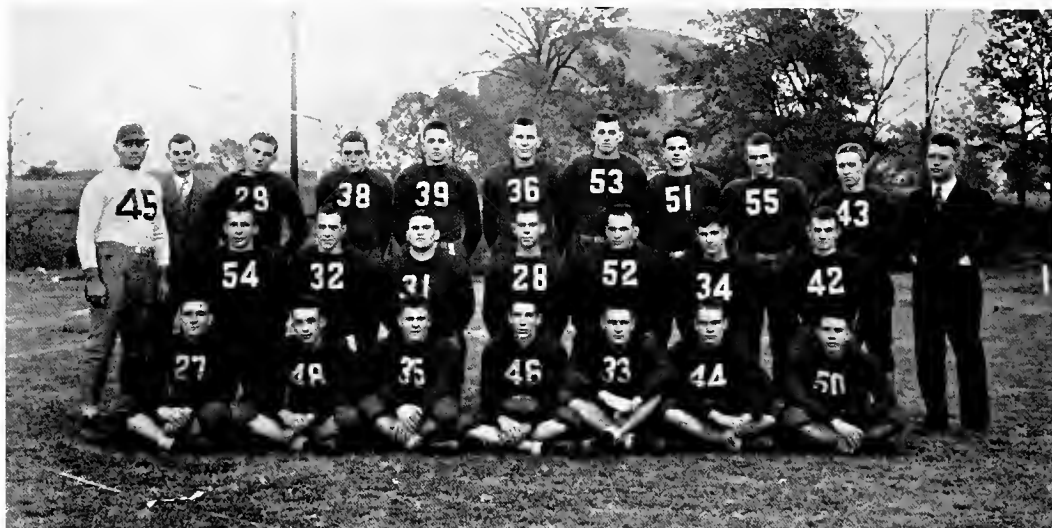

Much of the success of the team was due to the splendid work done by the cheerleaders. Under the direction of Carson Robertson this group functioned at every athletic contest. He had as assistants Esther Taylor, George Robertson, Barbara Bennett, Bo Holloman, and "Blackie" Shaughnessy.

Next year's teams note with pleasure that this complete set will be back next year.

# *Freshman*

# FOOTBALL

FIRST ROW: Lowther, Saucier, Dickerson, Bilbro, McCool, McAlilly, Hathorn.  
SECOND ROW: Sumrall, Bain, Lampton, Hawkins, Holliday, Roberts, Bennett.  
STANDING: Coach Richardson, Stuart, Hall, Clay, Green, Bledsoe, Carter, Winborn, Allen, Wilson, Taylor.

Although light this year's freshmen were above the average freshman team. Coach Richardson will send to the varsity some valuable men from this group. In the line Bain, Bledsoe, Carter, Holliday, Green, McCool, and Hall should help the varsity no little while in the backfield Coach Gaddy will be able to use Winborn, Wilson, Dickerson, Hawkins, Sumrall and Bilbro.

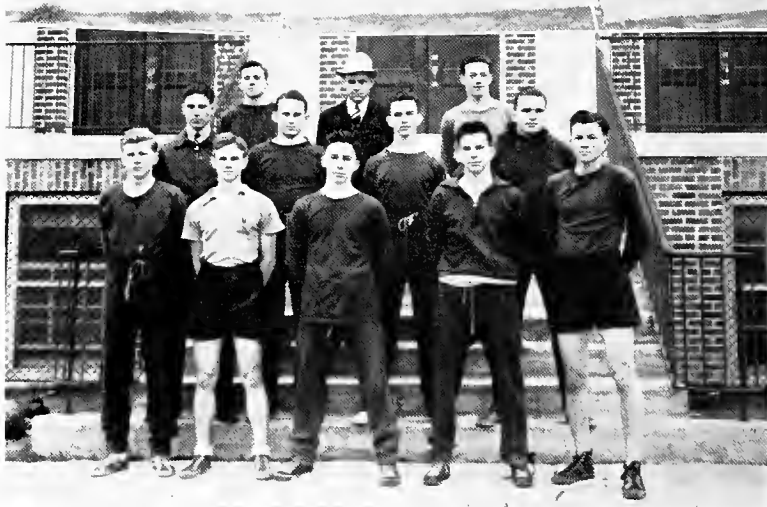

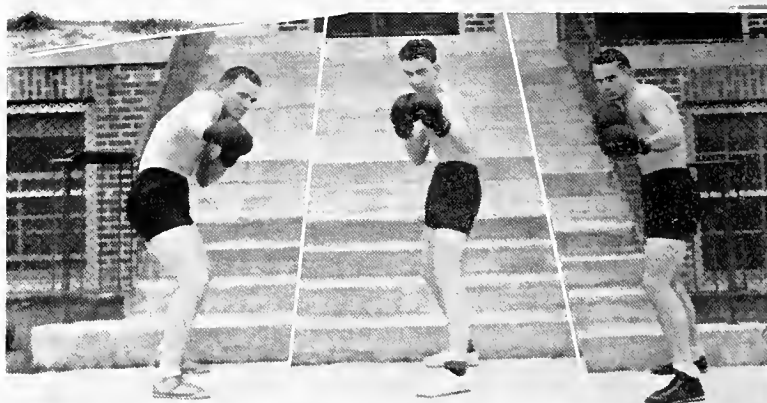

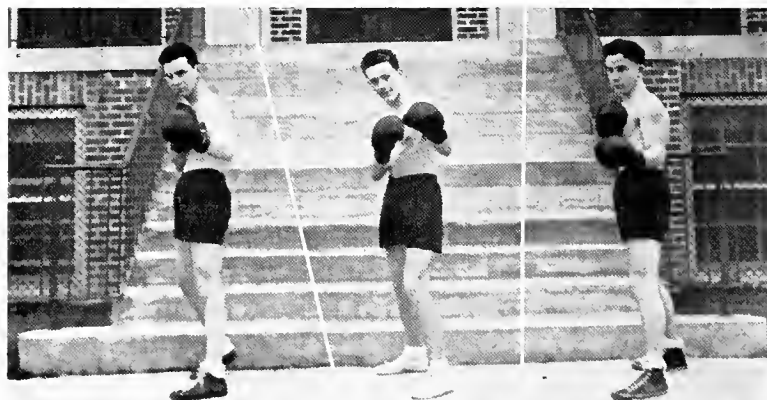

# *and* BASKETBALL

Coach Rich had another nice freshman basketball team this year. Playing several strong independent teams the freshmen were particularly successful. Despite the loss of the series to the Papooses the season was a success. With such men as Carter, Green, Hawkins, Wilson, Lowther, Bledsoe and Bain going up to the varsity next year, Coach Van Hook will not have to worry about reserve strength.

FIRST ROW: GREEN, FOLSE, CARTER, BLED SOE.  
SECOND ROW: CLAY, LOWTHER, SUMRALL, HATHORN, BAIN.

# BOXING

The boxing team this year created much interest and shows promise of becoming one of Millsaps' favorite sports. Under the expert coaching of Sam Bowers the boxers developed rapidly.

By the end of the season Coleman Heard, George Robertson, Bryant Ridgeway, Captain Bill Hardin, Charles Bilbro, Rodney Walker, Alvin Houston, Nash Broyles, and Dewitt Holliday had participated in bouts while Cappy Ricks and Sonny Painter were developing into mighty good little fighters.

# Calendar

- Sept. 16—School opens—lots of new freshmen on the campus while naught but the flower of the Greek upperclassmen are on hand.
- Sept. 17—Frats begin official rush week. Freshmen cast lots to see who goes what. First Purple and White appears.
- Sept. 18—New grill adds collegiate spirit to the campus—students, pardon, we mean residents, spend much time there.
- Sept. 21—Classes are begun. A few green frosh meet them. Profs are amazed.
- Sept. 22—Freshman girls are mighty attractive. Last year's Co-eds are vainly trying to hold their own against the new Bunch.
- Sept. 23—Sororities begin rushing. New grill wants a name. Ten dollars is offered for best name submitted.
- Sept. 25—Men's rush week closes—frosh receive their buttons and descend from rushee to pledge with the rapidity that makes Lucifer's famous fall reek with impunity.
- Sept. 26—Fighting Majors hold the powerful Miss. State eleven to three touchdowns. Capt. Pee Wee Ezelle is out, however, with dislocated shoulder.
- Sept. 27—Millsaps and Belhaven go to church. Everybody looks everybody else over.
- Sept. 30—Many mawkish, militant Majors, may be found at Belhaven as first full moon appears.
- Oct. 3—First pep meeting held—new cheer leaders cavort. However, Southwestern licks us at Memphis.

- Oct. 19—Miss State Fair opens for business—U. Z. tears his hair as rival money grabbers do their stuff.
- Oct. 20—The Rideo seems to be about the most popular contrivance on the Mid-way. The dirt-dauber attributes this fact to the scientific principle of centrifugal force. Hum-m-m?
- Oct. 23—We take the Choctaws 7—0 as Ross Shelton intercepts a Choc pass and runs 55 yards to score. And the Redskins had spotted 12 points!
- Oct. 24—The football teams walk around the campus being congratulated. Everyone was thrilled by that run of "Rambling" Ross.
- Oct. 26—Women form new leadership group, Sigma Lambda. Now all they need is something to lead.
- Oct. 29—Phi Mu reception for pledges. Everybody goes looking their best.
- Oct. 30—Hallowe'en, and Millsaps-Belhaven party. Bad weather but a swell time for spooks. In Birmingham the team loses 20—0.
